

## Recognizing Community Gamechangers in the Indy Region Sponsorship Information and Application

**Vision:** To encourage the transformation of neighborhoods throughout the Indy region into authentic and vibrant places profoundly attractive and livable for both residents and visitors. This will be accomplished through the creation of an annual event that will recognize the people and places in the Indy region that have made outstanding progress in developing their neighborhoods as livable places.

**The Awards:** Five awards will be given highlighting people, projects, initiatives, and organizations impacting specific neighborhoods. These will be organized around Livability, Opportunity, Vitality, and Education. In each category finalists (announced before the event) will be highlighted through a short video produced by the event organizers, and the category winner (announced at the event) will receive a substantial unrestricted grant of approximately \$2,500. The fifth award will be the LOVE Award, a People's Choice award determined by voting at the event, and will receive a \$5,000 award. This approach will provide a valuable video to all finalists and ensure that their supporters attend the event.

**Timeline:** The event will take place on April 26, 2018.

**Awards Event Format:** This annual event will be glamorous, yet rooted in the authentic cultures of area neighborhoods. It will be an early evening event starting at 5:00 pm held at the Indiana War Memorial. The event will start with a reception featuring heavy hors d'oeuvres, a full bar, and live music. This will be followed with attendees moving into the beautiful auditorium space for an hour-long awards ceremony.

**Lead Organizations:** Planning for this event is being led by Local Initiatives Support Corporation (LISC) and MIBOR REALTOR Association, with support from many additional local community partners. Indianapolis LISC is the local chapter of a national community development organization that helps neighbors build strong and authentic communities through investments in livability, economic opportunity, housing vitality, and cradle-career education. MIBOR is the professional association representing central Indiana's REALTORS.

**Sponsorship Opportunities:** The event is anticipated to cost approximately \$80-90,000. This will be funded primarily through sponsorships with additional income from ticket sales.
